

FRENCH 1 PROJECT

Paris

Construction Model / Poster
(200 pts.)

PHASE 1

Task: Each student will choose a **famous landmark in Paris** to research. After research has been completed, each student will build a **construction model** of the landmark chosen. The construction model must be at least the size of a shoebox and cannot be made of certain materials listed below. The model must be as close of a representation of the original structure as possible. It should be detailed and neatly done!

MATERIALS NOT TO BE USED!!!:

Clay
Glass
Food

SUGGESTED MATERIALS TO USE:

Paper *Styrofoam
Paint Wood
*Cardboard *Foam board

*works really well!

You may choose from the list of **Parisian landmarks*** listed here below, however you are not limited to this list:

La Tour Eiffel	Le Stade de France
L'Hôtel de ville	Place de la Concorde
Le Pont Neuf	Église de la Madeleine
La Conciergerie/Le Palais de Justice	L'Assemblée Nationale
L'Arc de Triomphe	Le Centre Georges Pompidou
L'Arche de la Défense	Le Panthéon
L'Arc du Carrousel	La Sorbonne
Le Musée du Louvre	La Tour Montparnasse
Le Musée d'Orsay	Le Moulin Rouge
L'Hôtel des Invalides	L'Opéra Garnier
La Basilique du Sacré Cœur	Le Sénat/Le Jardin du Luxembourg
Le Palais Royal	L'Opéra de la Bastille
Notre Dame de Paris	Place Vendôme
Père Lachaise Cimetière	Le Palais de Chaillot/Trocadéro
l'Elysée	

*Using the website « Google Maps », you can get a good look at each landmark from satellite and even from on the street! Here is the link:

RUBRIC for CONSTRUCTION MODEL:

4 = 100	3 = 80	2 = 60	1 = 40	0 = 20
<p>Your model is an excellent, almost picture-perfect, smaller-scale replica of the original Parisian landmark. Your choice of building materials, level of creativity, and attention to artistic detail help to create the nearly perfect replicated image of your chosen landmark.</p>	<p>Your model is a very close representation of your chosen landmark though your choice of building materials, level of creativity, and/or attention to artistic detail may be lacking a few areas.</p>	<p>Your model slightly resembles your chosen landmark due to the fact that your choice of building materials, level of creativity, and/or attention to artistic detail is somewhat lacking.</p>	<p>Your model barely resembles your chosen landmark due to the fact that your choice of building materials, level of creativity, and/or attention to artistic detail is seriously lacking.</p>	<p>Your model does not resemble your chosen landmark due to the fact that your choice of building materials, level of creativity, and/or attention to artistic detail is not all apparent or observable.</p>

RUBRIC for POSTER:

4 = 100	3 = 80	2 = 60	1 = 40	0 = 20
<p>Your poster is super creative, attractive, neat, and looks 100% finished! It meets all criteria for size and content; it has a list of all websites referenced on the back, it is nicely laid out and neat lettering, and has a good balance between information and images.</p>	<p>A few of the must-haves on the criteria for the poster are lacking from yours. I will list them here:</p>	<p>Some of the must-haves on the criteria for the poster are lacking from yours. I will list them here:</p>	<p>Most of the must-haves on the criteria for the poster are lacking from yours.
